§ 1271.330

core CGTP requirements that does not represent an event required to be reported to determine whether an investigation is necessary; an investigation may include referring a copy of the complaint to another establishment that performed manufacturing steps pertinent to the complaint. When no investigation is made, you must maintain a record that includes the reason no investigation was made, and the name of the individual(s) responsible for the decision not to investigate.

Subpart E—Additional Requirements for Establishments Described in § 1271.10

EFFECTIVE DATE NOTE: At 69 FR 68686, Nov. 24, 2004, §§ 1271.330—1271.370 (Subpart E) were added, effective May 25, 2005.

§ 1271.330 Applicability.

The provisions set forth in this subpart are being implemented for non-reproductive HCT/Ps described in §1271.10 and regulated solely under section 361 of the Public Health Service Act and the regulations in this part, and for the establishments that manufacture those HCT/Ps. HCT/Ps that are drugs or devices regulated under the act, or are biological products regulated under section 351 of the Public Health Service Act, are not subject to the regulations set forth in this subpart.

§1271.350 Reporting.

- (a) Adverse reaction reports. (1) You must investigate any adverse reaction involving a communicable disease related to an HCT/P that you made available for distribution. You must report to FDA an adverse reaction involving a communicable disease if it:
 - (i) Is fatal;
 - (ii) Is life-threatening;
- (iii) Results in permanent impairment of a body function or permanent damage to body structure; or
- (iv) Necessitates medical or surgical intervention, including hospitalization.
- (2) You must submit each report on a Form FDA-3500A to the address in paragraph (a)(5) of this section within 15 calendar days of initial receipt of the information.

- (3) You must, as soon as practical, investigate all adverse reactions that are the subject of these 15-day reports and must submit followup reports within 15 calendar days of the receipt of new information or as requested by FDA. If additional information is not obtainable, a followup report may be required that describes briefly the steps taken to seek additional information and the reasons why it could not be obtained.
- (4) You may obtain copies of the reporting form (FDA-3500A) from the Center for Biologics Evaluation and Research (see address in paragraph (a)(5) of this section). Electronic Form FDA-3500A may be obtained at http://www.fda.gov/medwatch or at http://www.hhs.gov/forms.
- (5) You must submit two copies of each report described in this paragraph to the Center for Biologics Evaluation and Research (HFM-210), Food and Drug Administration, 1401 Rockville Pike, suite 200N, Rockville, MD 20852-1448. FDA may waive the requirement for the second copy in appropriate circumstances.
- (b) Reports of HCT/P deviations. (1) You must investigate all HCT/P deviations related to a distributed HCT/P for which you performed a manufacturing step.
- (2) You must report any such HCT/P deviation relating to the core CGTP requirements, if the HCT/P deviation occurred in your facility or in a facility that performed a manufacturing step for you under contract, agreement, or other arrangement. Each report must contain a description of the HCT/P deviation, information relevant to the event and the manufacture of the HCT/P involved, and information on all follow-up actions that have been or will be taken in response to the HCT/P deviation (e.g., recalls).
- (3) You must report each such HCT/P deviation that relates to a core CGTP requirement on Form FDA-3486 available at http://www.fda.gov/cber/biodev/bpdrform.pdf, within 45 days of the discovery of the event either electronically at http://www.fda.gov/cber/biodev/biodevsub.htm or by mail to the Director, Office of Compliance and Biologics Quality, Center for Biologics Evaluation and Research (HFM-600), 1401

Food and Drug Administration, HHS

Rockville Pike, suite 200N, Rockville, MD 20852-1448.

§1271.370 Labeling.

The following requirements apply in addition to §§1271.55, 1271.60, 1271.65, and 1271.90:

- (a) You must label each HCT/P made available for distribution clearly and accurately.
- (b) The following information must appear on the HCT/P label:
- (1) Distinct identification code affixed to the HCT/P container, and assigned in accordance with §1271.290(c);
 - (2) Description of the type of HCT/P;
 - (3) Expiration date, if any; and
- (4) Warnings required under §§ 1271.60(d)(2), 1271,65(b)(2), or 1271.90(b), if applicable.
- (c) The following information must either appear on the HCT/P label or accompany the HCT/P:
- (1) Name and address of the establishment that determines that the HCT/P meets release criteria and makes the HCT/P available for distribution;
 - (2) Storage temperature;
- (3) Other warnings, where appropriate; and
- (4) Instructions for use when related to the prevention of the introduction, transmission, or spread of communicable diseases.

Subpart F—Inspection and Enforcement of Establishments Described in § 1271.10

EFFECTIVE DATE NOTE: At 69 FR 68687, Nov. 24, 2005, §§ 1271.390—1271.440 (Subpart F) were added, effective May 25, 2005.

§1271.390 Applicability.

The provisions set forth in this subpart are applicable only to HCT/Ps described in §1271.10 and regulated solely under section 361 of the Public Health Service Act and the regulations in this part, and to the establishments that manufacture those HCT/Ps. HCT/Ps that are drugs or devices regulated under the act, or are biological products regulated under section 351 of the Public Health Service Act, are not subject to the regulations set forth in this subpart.

§1271.400 Inspections.

- (a) If you are an establishment that manufactures HCT/Ps described in §1271.10. whether or not under contract. you must permit the Food and Drug Administration (FDA) to inspect any manufacturing location at any reasonable time and in a reasonable manner to determine compliance with applicable provisions of this part. The inspection will be conducted as necessary in the judgment of the FDA and may include your establishment, facilities, equipment, finished and unfinished materials, containers, processes, HCT/Ps, procedures, labeling, records, files, papers, and controls required to be maintained under the part. The inspection may be made with or without prior notification and will ordinarily be made during regular business hours.
- (b) The frequency of inspection will be at the agency's discretion.
- (c) FDA will call upon the most responsible person available at the time of the inspection of the establishment and may question the personnel of the establishment as necessary to determine compliance with the provisions of this part.
- (d) FDA's representatives may take samples, may review and copy any records required to be kept under this part, and may use other appropriate means to record evidence of observations during inspections conducted under this subpart.
- (e) The public disclosure of records containing the name or other positive identification of donors or recipients of HCT/Ps will be handled in accordance with FDA's procedures on disclosure of information as set forth in parts 20 and 21 of this chapter.

§ 1271.420 HCT/Ps offered for import.

(a) Except as provided in paragraphs (c) and (d) of this section, when an HCT/P is offered for import, the importer of record must notify, either before or at the time of importation, the director of the district of the Food and Drug Administration (FDA) having jurisdiction over the port of entry through which the HCT/P is imported or offered for import, or such officer of the district as the director may designate to act in his or her behalf in administering and enforcing this part,
